**Going Virtual**

FBLA is going virtual. What does that mean? Well it means that all of our traditional in-person events will be virtual this fall. The decision about our State conference will be determined later, but the following are defiantly virtual:

- **CREW (Chapter Rally Experience Week)** (formerly Fall Motivational Rally)
  October 19-23

- **Fall Leadership Conference** Nov 19

- **Region Leadership Conference** (competitions)
  Online testing dates November 30—December 4

**CREW**

What is CREW? It stands for Chapter Rally Experience Week. It is what was formerly known as Fall Motivational Rally.

It will include:

- Mini Sessions at 4:30 each day
- Challenges & Contest (like homecoming but for FBLA)
- Officer Chats each evening
- KaHoot contest (with prizes)
- Online Scavenger Hunt (all week)

“**How can FBLA help me achieve my dream?”**

FBLA has helped me grown both personally and professionally as individual. Through the help of FBLA, I have gained better networking skills and confidence.

Think of new ways to network in this virtual environment
Choosing a Competition!

Wondering what you can compete in . . . Well, FBLA has tons of options. It really depends on your knowledge and skills. There are options for taking an objective test on a topic that you are knowledgeable about, showing off your computer skills (Word, Excel, Database, Programming, Web Design), and presentations.

If you are not comfortable presenting in front of a group of judges, then select a competition that has an objective test. There are lots of options in each category.

Check out all of the options at FBLA-PBL.org.
